

26th April 2016

Dear Parents/Carers

On Friday 29th April, Overdale Junior School are proud to be supporting the "Backing the Blues" campaign which aims to turn Leicester, Leicestershire and Rutland blue for the day . Friday 29th is 2 days before Leicester City's highly-anticipated match with Manchester United. With Leicester City now needing only **one more win** to guarantee their first ever Premier League title, the 'Backing The Blues' campaign, which will see famous landmarks change colour on Friday, has been set up by BBC Radio Leicester in partnership with the Leicester Mercury. It has been endorsed by City Mayor Sir Peter Soulsby.

We are inviting children to wear blue on Friday to show their support for LCFC! If they have one, children can wear their blue Leicester City shirt, or they can wear other **blue** clothes of their choice. To fully support the day, we ask that no other football kits be worn other than Leicester City blue! Although we recognise that some children do not follow football and some support other football teams, this is such a huge achievement for our local team which we hope the children will understand and appreciate. The idea is that we celebrate a season which will forever be remembered by Leicester City fans and indeed, the City as a whole.

Thank you for your continued support!

Mrs Lisseman/Mrs Weston
