

Overdale Summer Fête

Saturday 25 June 2016
12.30-3.00pm

In order to run this year's summer fete we need in the region of 180 volunteers to each give up just 1½ hours of time. If we can achieve this then we are likely to raise in excess of £6,000 which will all be put towards funding to enhance your child's learning experience.

We are therefore looking for volunteers to run a stall for just half the time so that the other half of the time can be spent enjoying the fete with your families.

We also need volunteers to help set up before the event and to clear away afterwards, again for just 1½ hours.

To allow us to plan effectively for the event, please indicate how you would like to help and return the slip to school ASAP. Thanks for your support – we can't do it without you.

I would like to help at the Summer Fête, my preferred option is:

- Sort donations/set up - Friday 24 June (am)
- Setting up on the day (10-11.30 or 11-12.30)
- Running a stall (12.15-1.45/1.45-3.15)*
- Clearing up after the fete (3-4.30)

Your name:

Your contact no.:

Your child's name/class:

*If you have a preference as to which stall then please note this here
