

Hi everyone,

We are very excited that you are in our classes next year and hope that you are looking forward to joining us too!

We have come up with a few optional 'boredom buster' activities you could try over the holiday by yourself or with your family.

We are excited to see you after the summer holidays and for you to share all the wonderful things you have been up to.

See you soon!

From,  
Mrs Neal-Brook, Miss Obhi, Miss Dighton, Mrs Lisseman and Mrs Stevens.
