

Year 3 Art - All work and no play. Artist/Artisan: L.S.Lowry

What should I already know?

- A colour wheel can help us mix colours.
- Some colour wheels contain 12 colours: 3 primary, 3 secondary and 6 tertiary. They show warm and cool colours.
- Some techniques which involve colour mixing include: tint, shade and tone.

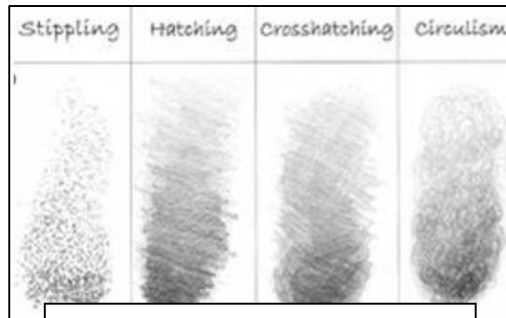

About the artist

- Laurence Stephen Lowry is a famous English artist.
- He was born on 1st November 1887 in Stretford, Lancashire.
- His family moved to the industrial town of Pendlebury in 1909.
- He attended the Manchester School of Art and then Salford Royal Technical College.
- Lowry's paintings often feature industrial Pendlebury and they captured scenes of urban life in industrial England.
- His landscapes are often populated by unrealistic 'matchstick men' figures.

Coming from the Mill - By Lowry

Different mark making techniques.
Light tone to darker tone.
