

What should I already know?

- How to draw using pen
- Mark Making is using different effects like lines, dots, marks and textures to create tone, pattern or form
- Proportion refers to the relative size
- How to use a grid to make a copy of an image
- How to use a view - finder

Key Facts about the artist

Steven Wiltshire - 1974 -

Steven Wiltshire was born in London in 1978.

When he was young he didn't communicate through speech until he was 5.

He communicated through his drawings.

Steven made a 10m drawing of Hong Kong's Victoria Harbour from memory after a 20-minute helicopter ride.

He uses pen to create detailed drawings.

He is known as a 'human camera' because he can draw an entire city from memory after seeing it once.

Steven's motto is **'Do the best you can and never give up.'**

Vocabulary

One point perspective	lines that meet at the same point in the distance.
Urban	town or city
Savant	a person who has a unique talent at something. Usually someone who has Autism
