What can I change to make things my own?

Word	Definition
Font	**The style of writing you can use**
Bold	**To make text thicker to stand out**
Italic	**To make the text at an angle**
Underline	**To draw a line underneath the text**

How would you change the format, font styles and sizes for each of these texts?
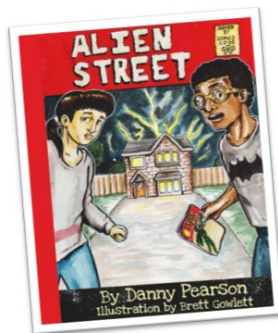

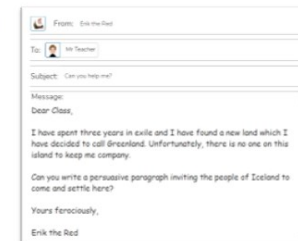

Illustrated children's fiction book
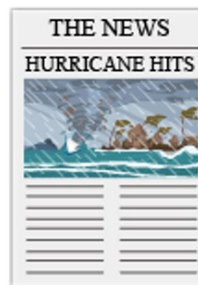

Newspaper

Formal letter

Text message

Email

Here are different format styles of font:

Format Font Styles - Bold
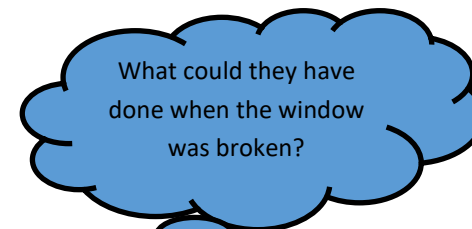

Format Font Styles - Italic

Format Font Styles - Underline

Format Font Styles - Shadow

~~Format Font Styles~~ - Strikethrough

Should we save the rare tiger and her cubs?

conflict

After the Storm

Surely we should protect the public's safety?

What could they have done when the window was broken?

We want a Playground

playing my part

What could the children do when they're at the youth club?
