

Word Definition

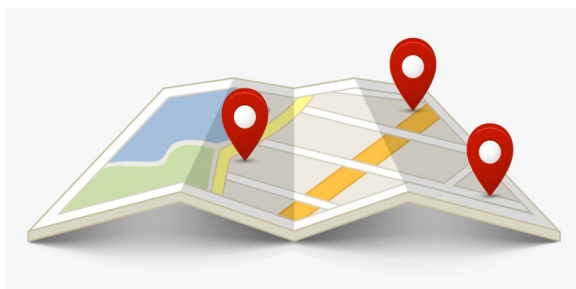

Digital Footprint The information that we put on the Internet, based on what we do

Password A secret phrase, made up of letter, numbers or symbols, used to keep your account safe

PEGI Rating A rating that shows what age something is suitable for

Screen Time How long someone spends on a device

Spoof Website A dishonest website designed into tricking the user into thinking that it represents the truth

How can I be responsible online?

Why do I need to be aware of the dangers of being online?

Although the Internet is a brilliant resource for learning and entertainment, some people use the Internet to cause you harm. Being aware of these dangers can help keep you safe and protect your privacy.

Is the above password safe? Why not?

As I am browsing the Internet, what information am I leaving behind about what I visit and what I do? What could others find out about me with this?

Key Knowledge and Concepts
