Dear Parent/Carers

Overdale Junior School welcome anyone who is interested in the life of our school to follow us and connect with us on the various social media sites that we use. At the moment this includes Facebook and Twitter. These sites allow us to communicate much more about day-to-day life in school.

It is important for everybody's safety that we are clear about how we use these sites and what is acceptable behaviour from the people who choose to follow us.

#### Privacy

- We will not publish photographs of children without the written consent of parents/carers.
- We will not identify children by their full name in featured photographs.
- We will not allow any personally identifying information to be published on our social media accounts.

#### Respect

- We will not allow posts or comments that refer to specific, individual matters between the school and members of its community.
- We will not tolerate any comments which are rude or abusive towards any member of the school community, whether that be children, parents, staff or governors.
- The school will not reply via Twitter or Facebook to any questions or comments regarding school queries. Parents and members of the school community who have questions relating to school matters are advised to contact the school in the usual way.

If you are interested in keeping up to date with your child's learning then please search for @ojsinfo and then search via our followers to find your child's class/year group.

If you have any concerns then please contact us via the office. We thank-you for your continued support and we look forward to sharing our work with you on Twitter.
