Dear Parents and Carers

Thank you to everyone who took part in the consultation process either at the meetings, through correspondence or via the online survey. All Governing Bodies found it very helpful and the inputs received have added to the conversations being had across all five schools.

As a group of schools we were pleased with the level of responses and the quality of the debate. Naturally, we received a broad range of views, but the overall response to the survey was supportive of the proposal. 53% of those who expressed an opinion were in favour of the OAK MAT, 24% were not, with 16% saying maybe and 7% don't know.

Clearly there is still much work to be done and all Governing Bodies will continue to reflect on all the views we have received as we proceed. Once again thank you to everyone who took the time to engage in the process.

Yours sincerely

Mrs J Hart
