Miscellaneous

Children no longer need to carry their PE kit to school so **DO NOT** need a large rucksack. A book bag is sufficient for carrying reading books and any homework.

Children should have sensible hair cuts and no colours. Children with long hair may be asked to tie it up for certain activities.

Children **SHOULD NOT** bring their own writing equipment to school, this is provided in class. Therefore, children **DO NOT** need a pencil case from home in school and will be asked to take this home if it is brought to school.

Children should bring a water bottle to school every day. This will be kept in the classroom and is in addition to the drink they bring as part of their packed lunch. This should be clearly labelled. Please note, in the new school year and going forward, **metal water bottles are NOT permitted**.

What should my child wear for Forest School?

Forest school attire works best when it is practical, durable and comfortable enough for all-weather adventures. Here are some ideas to ensure that your child is set for all weathers.

- Waterproof outerwear: sturdy coat/ jacket and trousers suitable for mud, rain, and puddle exploration.

- Layered base set: moisture-wicking top and leggings that keep children warm and dry.

- Fleece mid-layer: lightweight warmth that's easy to move in.
- Wellingtons or all-terrain boots: waterproof, grippy footwear for movement through the 'forest school'.

- Socks and gloves: breathable warmth that stays cosy even when damp.

Throughout the year, any unnamed and uncollected lost property uniform is put out to parents to take and use. This makes sure no items are put out to waste and parents can access free uniform if it is available. We are looking at providing a second hand stall in the near future.

Pupils that attract Pupil Premium can receive support with their uniform at the start of the school year. This is set out in the Pupil premium policy.
