

# Mr Barwell

## Welcome!

My name is Mr Barwell and I am so excited to be your new teacher. I look forward to getting to know you all, learn lots of new and exciting things and see you all grow!

## About me

One of my favourite things to do when I'm not teaching is climbing. I like to climb both indoors and outdoors. Similarly, I also love going for long walks outside and visiting new places!

I have two cats (Albert and Norman) who are very cheeky and love chasing each other.

I also have a puppet called Jean-Claude who likes to help out in my classroom.

My favourite football team is Leicester City.
