

Overdale Junior School uniform March 2025 update

At OJS, we value the time and money families spend on ensuring pupils arrive in their school uniform everyday. A fair and consistently applied school uniform helps promote a sense of belonging, a learning ethic and safety. It helps reduce peer pressure, finances for families, distractions and wasting time in the morning deciding what to wear.

The following describes the uniform at OJS which can be found at most supermarkets for very little cost.

Jewellery

- **Small set of ear studs only** (no ear studs allowed for PE at all – they must be removed by child as staff cannot do this and tape will not be applied). No other piercings allowed.
- 1x item of religious jewellery e.g. kara (this should be removed for PE)
- No makeup is permitted – children will be asked to remove this if it is worn to school. This includes painted nails.

Outdoor

Waterproof jacket
(any colour) all year round

Warm winter coat
(any colour)

Miscellaneous

Children no longer need to carry their PE kit to school so **DO NOT** need a large rucksack. A book bag is sufficient for carrying reading books and any homework.

Children should have sensible hair cuts and no colours. Children with long hair may be asked to tie it up for certain activities.

Children **SHOULD NOT** bring their own writing equipment to school, this is provided in class. Therefore, children **DO NOT** need a pencil case from home in school and will be asked to take this home if it is brought to school.

Children should bring a water bottle to school every day. This will be kept in the classroom and is in addition to the drink they bring as part of their packed lunch. This should be clearly labelled. Please note, in the new school year and going forward, **metal water bottles are NOT permitted.**
