

Concentric Diagram

How will our provision set them up for the future – what benefit will our curriculum be for the children in 25 years?

Our students will be lovers of music, in many different forms and genres

What do we provide for our children at Overdale?

Singing assemblies

After school singing clubs

Thoroughly planned and assessed music curriculum in line with gov guidelines

Opportunity to learn recorder in year 3

Ukulele in year 4

Turntablism in year 5

Beatboxing in year 6

Live performances to watch in and out of school

Private tuition in woodwind, string, piano and drums and brass

Taking part in performances for peers and parents

Christmas nativity in the local church

Visiting 'experts' in the music field to perform for the children

Opportunity to perform whole school in singing assemblies

Links with other schools and different members of the local community

Opportunity to sing in large choirs in Leicester area or/and at Young Voices each year

What relevant knowledge/skills do our children come to us at Overdale with?

Understanding of popular culture

Recognition of cultural music for celebrations

Personal choice and taste

Experience of music curriculum in Year 1 and 2

Some children have an understanding of music already through private music tuition

Experienced singing together and live performances already

They will have the opportunity and encouragement to be musical performers and influence others in their world with their talent for and love of all things musical

They will be performers and have the confidence to share their love of or talent in music
