

Long Term Plan Science

| | Autumn 1 | Autumn 2 | Spring 1 | Spring 2 | Summer 1 | Summer 2 |
|--------|--|---|---------------------------|---|---|--|
| Year 3 | Rocks | Animals, including humans – Skeleton and diet | Forces and magnets | Sustainability – Food waste Biodiversity | Light | Plants – functions of plant parts and requirements |
| Year 4 | Living things and their habitats – classification and habitats | Electricity | States of matter | Sustainability – Energy Deforestation | Animals including humans – teeth, digestion and food chains | Sound |
| Year 5 | Living things and their habitats – Life cycles and plant and animal reproduction | Properties and changes of materials | Earth and space | Sustainability – Plastic Pollution Global Warming | Forces | Animals, including humans – human ageing |
| Year 6 | Living things and their habitats – classification and adaptations | Animals, including humans – circulation | Evolution and inheritance | Sustainability – Persuasive letter writing | Electricity | Light |
