

What should I already know?

- To state opinions (I like, I love, I dislike)
- To know that il means it
- To know il y a means there is/are
- Months of the year

Grammar

The same word in English can have more than one word in French. For example, the English word in.

In French we use dans, en or à, depending on the noun that follows it.

Speaking and listening

Some letters and sounds are pronounced differently to French. That means they sound differently when we speak and hear them.

"en" in French makes the "on" sound.

"au" in French makes the "oh" sound.

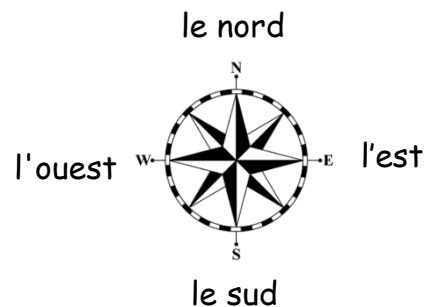

Key Vocabulary

Les temps - weather
