

## Overdale Junior School uniform 2025-2026

At OJS, we value the time and money families spend on ensuring pupils arrive in their school uniform everyday. A fair and consistently applied school uniform helps promote a sense of belonging, a learning ethic and safety. It helps reduce peer pressure, finances for families, distractions and wasting time in the morning deciding what to wear.

The following describes the uniform at OJS which can be found at most supermarkets for very little cost.

Children **SHOULD NOT** bring their own writing equipment to school, this is provided in class. Therefore, children **DO NOT** need a pencil case from home in school and will be asked to take this home if it is brought to school.

Children should bring a water bottle to school every day. This will be kept in the classroom and is in addition to the drink they bring as part of their packed lunch. This should be clearly labelled. Please note, in the new school year and going forward, **metal water bottles are NOT permitted.**

## What should my child wear for Forest School?

Forest school attire works best when it is practical, durable and comfortable enough for all-weather adventures. Here are some ideas to ensure that your child is set for all weathers.

- Waterproof outerwear: sturdy coat/ jacket and trousers suitable for mud, rain, and puddle exploration.

- Layered base set: moisture-wicking top and leggings that keep children warm and dry.

- Fleece mid-layer: lightweight warmth that's easy to move in.

- Wellingtons or all-terrain boots: waterproof, grippy footwear for movement through the 'forest school'.

- Wool socks and gloves: breathable warmth that stays cosy even when damp.
